So damn sure
You wanna look kind
24 / 7 on my mind
All I ever wanted is to be with you
Making me feel so brand new

I thought I can love no more
One too many times before
Now every time I look up to the sky
I've got you on my mind

The colours of the rainbow shine so bright
Everytime I look into your eyes
It's the colours of the rainbow that feed my soul
Over and over, just like you do

The colours of the rainbow shine so bright
Everytime I look into your eyes
It's the colours of the rainbow that feed my soul
Over and over, just like you do

Over and over, just like you do

Over and over, just like you do

So damn sure
You wanna look kind
24 / 7 on my mind
All I ever wanted is to be with you
Making me feel so brand new

I thought I can love no more
One too many times before
Now every time I look up to the sky
I've got you on my mind

The colours of the rainbow
The colours of the rainbow
The colours of the rainbow
The colours of the rainbow

The colours of the rainbow shine so bright
Everytime I look into your eyes
It's the colours of the rainbow that feed my soul
Over and over, just like you do

The colours of the rainbow shine so bright
Everytime I look into your eyes
It's the colours of the rainbow that feed my soul
Over and over, just like you

Over and over, just like you do
