We all know that this is what we're gonna do.
Itchy Together me and you,
We'll get it on 'coz that's our last chance.
Poopzkid
The world is getting darker,
The walls keep caving in for you.
Destination Trust and hope is gone.
What the fuck went wrong?

The pain goes on.
Inside
You're crawling deeper in this,
There's no way out for you this time.
It all crashes down,
World is crumbling now,
But you'll do fine

Give it a try.
Maybe you're weak and maybe you're the end of this
line.
Lyrics Believe in me,
We soon will grow
Cuz maybe we're just fucked up kids but we all know

We all know that this is what we're gonna do.
Together me and you,
We'll get it on 'coz that's our last chance to
Strike back and stand up tall,
Speak up before we fall.
We won't get left behind
Our destination kept inside.

Don't go on hesitating.
Itchy This dead-end makes no sense to me.
Feel the tensions high,
Poopzkid world is passing by
It feels not right

The agitation hits you.
Destination Frustration eats right through your mind.
Fingers put on you,

You feel lost and blue
Inside but you'll do fine.
