Here I go once again.  
I've learned my lesson.  
Itchy I almost broke my neck  
And you're about to bring me down.  
Poopzkid  
I'm starring at my shoes  
Without expression.  
One more time you're the king  
Final who has just stolen my crown.

All I can see is just a wannabe  
Breakdown whose insecurity  
Is trying to kill me.  
Behind your fucking mask,  
Songtexte a little jerk whose only task  
Is to bring others down,  
Songtext that's all you are...

This won't be my final breakdown  
Lyrics  
The winner takes it all.  
Congratulations!  
So, I gotta take the fall  
Lyric and you're surprised that I don't mind.  
Liedertexte  
Before I saw the things  
Right with your eyes,  
So full of desperate lies,  
Liedertext I would rather be blind.

Down on the floor again.  
Wanna watch me creeping?  
Alle You like to show me  
That I am under your thumb.  
Itchy  
Frustration in your eyes,  
For attention seeking.  
Too much hate in your life.  
Poopzkid how could you be so dumb?!

Listen to what I say - I'm not as weak as you want me to

be.

Final Remeber what I say - maybe I'm a fool but at least  
I'm not like you!
