She said she's over it  
I guess I already knew  
I'm now discovering this awful, burning sound  
This feeling's sharpening  
So take it, take it back  
My mind's rebelling it, just watch me come undone.

What the hell was I thinking?  
Believing in you,  
Believing in you...

Whoa-oh!  
You're ripping me into pieces now  
(Pieces now, whoa-oh-oh)  
Whoa-oh!  
You're ripping me into pieces now  
(Pieces now! )

She loves the taste of pain  
And it's clear she's already used  
I somehow find in her this easy kind of love  
This love is deepening  
So shake it, shake it off  
But my body's needing it; just watch her set me off.

Whoa-oh!  
You're ripping me into pieces now  
(Pieces now, whoa-oh-oh)  
Whoa-oh!  
You're ripping me into pieces now  
(Pieces now! )

And I can't, I can't  
Never will I ever let the things you said cut through me.  
And I won't, I won't  
Never will I ever let the things you said...

Whoa-oh...  
You're ripping me into pieces now...  
(Pieces now...)

Whoa-oh!

You're ripping me into pieces now  
(Pieces now, whoa-oh-oh)  
Whoa-oh!  
You're ripping me into pieces now  
(Pieces now! )
