Just give me the truth  
So I'm not surprised  
Girl, I've been as patient as I can  
You've dragged this out  
I'm over the lies  
And my mind is wasted on these fights

What the fuck do I do  
When the one that I love  
Gives themselves to another?  
Well I need closure still

When he is inside you, do you think of me?  
When you're screaming his name, is it the same?  
All of these questions, they are haunting me  
And I'm not the same and won't be  
'Til you're not okay

Just give me it straight  
So I can move on  
I need all the details  
Right or wrong  
You call me insane  
I need to know everything  
I just need a reason to end this game

What the fuck did I do?  
Should've seen straight through what you do  
But I was too blind to see  
All the shit that you put me through

When he is inside you, do you think of me?  
When you're screaming his name, is it the same?  
All of these questions, they are haunting me  
And I'm not the same and won't be  
'Til you're not okay

I said  
Not a soul in this world  
Could have ever loved you more  
With my heart in my mouth

And my brain on the floor

Not a soul in this world  
Could have ever loved you more  
With my heart in my mouth  
And my brain on the floor

Now I'm gone  
I'm gone  
Now I'm gone  
I'm gone  
Now I'm gone  
I'm gone  
Now I'm gone  
I'm gone...
