I'm broken, come try to fix me, it's no game.  
Itchy Can't you see my life is going down the drain?  
Poopzkid I'm starting to realize this is insane.  
No one cares, when no one knows your name  
Through  
All alone  
With the shadow that's by my side.  
The All alone  
Through the window into the night.  
On my own  
Window like the rain on a summerday.  
All alone  
With the blood running through my veins.  
Songtexte  
I have never had no fame and no glory.  
Even voices in my head seem hate me.  
Songtext Love and hope is what's concerning me real  
deep  
Lyrics and the wish to finally make you see.

Come on and just walk by again!  
Lyric I'm used to not being a friend.

All alone

All alone  
Liedertext through the window into the night.  
On my own

No matter what I do or say - no matter what  
Itchy you just turn your face away.  
Away from me

All alone

All alone  
Through through the window into the night.
