If you could go around the world  
Would you take a chance?  
Would you take my hand?  
Take a look at me  
Tell me what you see  
I'll be your everything

Wake up, wake up  
Tell me a story  
I'm not tired  
This towns so boring

Pay attention  
Were ready  
Did we mention were ready?

Tell me what you do  
When I'm not with you  
Do you sit at home?  
Do you drink alone?  
Take a look at me  
Tell me what you see  
I'll be your everything

Pay attention  
Were ready  
Did we mention were ready?  
Falling faster  
This disaster came together  
Were ready
