The last that ever she saw him
Carried away by a moonlight shadow
He passed on worried and warning
Carried away by a moonlight shadow

Lost in a river last Saturday night
Far away on the other side
He was caught in the middle of a desperate fight
And she couldn't find how to push through

The trees that whisper in the evening
Carried away by a moonlight shadow
Sing a song of sorrow and grieving
Carried away by a moonlight shadow

All she saw was a silhouette of a gun
Far away on the other side
He was shot six times by a man on the run
And she couldn't find how to push through

The last that ever she saw him
Carried away by a moonlight shadow
He passed on worried and warning
Carried away by a moonlight shadow

Lost in a river last Saturday night
Far away on the other side
He was caught in the middle of a desperate fight
And she couldn't find how to push through

The last that ever she saw him
Carried away by a moonlight shadow
He passed on worried and warning
Carried away by a moonlight shadow

Lost in a river last Saturday night
Far away on the other side
He was caught in the middle of a desperate fight
And she couldn't find how to push through

The trees that whisper in the evening

Carried away by a moonlight shadow
Sing a song of sorrow and grieving
Carried away by a moonlight shadow

All she saw was a silhouette of a gun
Far away on the other side
He was shot six times by a man on the run
And she couldn't find how to push through
