Please don't leave
Please don't leave me
Please don't go away from here
Itchy
Why did I even kill me?
And everything I got?
Why did I get so sick of
Poopzkid all I got?
Why did I never wonder
If this is what I need?
Please Why did I never see the
Love that filled me

But now it's all the same again
Don't I'm all alone again
Facing the wall

The mirror's looking at me again
Songtexte Laughing at me again
Look who you are... "

But it sounds so stupid (this will sounds so stupid)

Songtext

Please don't go away from here
