See the pain and broken needles in our eyes?
Come watch us bleed, come watch us pant
Itchy nevertheless you're gonna see us hand in hand.

Broken promises and suffocating lies.
Poopzkid We didn't break, so now comply,
It must be horrible to go down as we rise!
Said
You said you would be there
But where are you right now?
You'd You said you would be there.

You said you would there
Be but all you are is a fake
And you ain't worth attention.
There
How did it feel to run away from what we had?
Songtexte Did it feel save?
Did it feel right?
Or was it just a way to escape from this fight?
Songtext
Tell me you're satisfied and say you're happy too,
Lyrics with what you have,
With what you say,
With all the principles you have thrown away.
Lyric
Remember what we planned
Against people we were hating.
But since you just went off
Liedertexte your trust is definitely fading.
It's definitely fading
