Yesterday night started with a smile
Of the girl, that's sleeping right by my side.
Itchy I wanted I needed to make her mine
For such a long time
Poopzkid
It seemed so amazing and great to me
But suddenly, somehow all of my dreams
Yesterday were fading and drifting so slowly away.
I guess those feelings were all
Night
Wrong and on and on and on and on.
I've been waiting for so long,
Songtexte waiting for this night to come
But now I'd better be moving
Songtext on and on and on and on and on
Because this time everything went wrong.
Lyrics
I thought, she was the one.
Can anyone, anyhow be so wrong?
Lyric I was blinded, diverted by her sweet sight.
Refused to look behind.
Liedertexte
Too bad I'm down and that girl is out.
Still way too hard to think and smile about.
Liedertext I need some, some distance and time alone
With this frustration.
Alle That's why I'm running away leaving dreams
behind.

On and on and on and on and on
Itchy I've been waiting for so long
Waiting for this night to come
Poopzkid now I'd better be moving
On and on and on and on and on and on
Yesterday because this time everything went wrong
