You know, I'm sending you a warning  
Because you're getting out of hand now  
You seem to be forgetting  
That I'm your lover man, now

So, I don't want to see you go wrong  
Cause we've been together much too long

You better check yourself  
Check yourself  
Check yourself

You know I'm telling you one time  
Ain't gonna tell you no more  
And don't you do the same thing  
That you did before

Because I don't want to see you go wrong  
Cause we've been together much too long

You better check yourself  
Check yourself  
Check yourself

You better stop (and stop) and look (and look)  
And see what you're doing  
And listen to what I've got to say (yeah, yeah, yeah)  
There's only one thing (there's only one thing)  
One thing I want you to do

You better check yourself  
Check yourself  
Check yourself

You better stop (and stop) and look (and look)  
And see what you're doing  
And listen to what I've got to say (yeah, yeah, yeah)  
There's only one thing (there's only one thing)  
One thing I want you to do

You better check yourself  
Check yourself

Check yourself
