"Cryin' In The Rain"

Keeping me away from falling apart
I'm afraid to get back to the start
My feelings for you never changed in the meantime
I want you back, you're my rain

And every waking moment it's like a sting sticking my
vein
It's a never ending story so I try to numb my brain

But I'm crying in the rain,
And tears will never wash away my pain
Cause I'm the one to blame, I know

So I'm crying in the rain
It's so hard to handle, it's driving me insane
I was living in the fast lane, let it rain

Sometimes it's too late to apologize
And I know it but don't realize
My mind keeps on playing those games, come and set
me free
But don't you come back and see

And every waking moment it's like a sting sticking my
vein
It's a never ending story so I try to numb my brain

But I'm crying in the rain
And tears will never wash away my pain
Cause I'm the one to blame, I know

So I'm crying in the rain
It's so hard to handle, it's driving me insane
I was living in the fast lane, let it rain

Rain

I'd die for you
Dee-ah-ben die
Dee-ah-ben die, I do (do)
[x2]

I'm here crying in the rain
And tears will never wash away my pain
Cause I'm the one to blame, I know

So I'm crying in the rain
It's so hard to handle, it's driving me insane
I was living in the fast lane, let it rain
