I'm about to crack, I've lost my track
I'm only skin and bones
Give me what I need, make the best of me
You can take me home
When the reasons fail you make the sale
To get things right
So let me in under your skin
Take me home tonight

Tell me how you want it to be
C'mon and tell me, do you want the best of me?

9-1-1! I'm calling home tonight
I'm bleeding dry because of you tonight
9-1-1! I'm calling home tonight
And nothing feels better than this&

On the other hand, would you understand
If I cut you loose?
Though you take the fall, you will have it all
Either way you choose

Tell me how you want it to be
C'mon and tell me, do you want the best of me?

9-1-1! I'm calling home tonight
I'm bleeding dry because of you tonight
9-1-1! I'm calling home tonight
And nothing feels better than this
Nothing feels better than this

Save me now Save me now
Save me now& Don't bug out this time

9-1-1! I'm calling home tonight
I'm bleeding dry because of you tonight
9-1-1! I'm calling home tonight
Bleeding dry because of you tonight
9-1-1! I'm calling home tonight
Nothing feels better then this
Nothing feels better than this

9-1-1! I'm calling (cause you need to save me now)
Nothing feels better than this (cause you need to save
me now)
9-1-1! I'm calling (cause you need to save me now)
Nothing feels better than this (cause you need to save
me now)
