Dont want to turn off the light
hope someone hears me tonight.
I know theres a snake in my bed
eating its way through my head

I want to be normal, I want to feel safe
waking up screaming, its always the same.
I dont want to turn off the light
hope someone hears me tonight.

Hold me, tell me everythings ok.
Show me theres a way to beat the monster
save me, make it go away.

Im trying to wash of the stains,
try not to think about the pain
I know Ive got no place to hide,
God knows the times that I tried

I want to be normal, I want to feel safe
waking up screaming, its always the same.
I dont want to turn off the light
hope someone hears me tonight.
Hold me, tell me everythings ok.
Show me theres a way to beat the monster
save me, make it go away.

Hold me, tell me everythings ok.
Show me theres a way to beat the monster
save me, make it go away.

Ooooooooooh, ooooooooooh, ooooooooooh,
oooooooooooooh.

I want to be normal, I want to feel safe.
Waking up screaming, its always the same.
I dont want to turn off the light.
Hope someone hears me tonight.

Hold me, tell me everythings ok.
Show me theres a way to beat the monster
save me, make it go away.

Hold me, tell me everythings ok.
Show me theres a way to beat the monster
save me, make it go away.
