Hands off here's the first one going down  
Emotional murder  
Have you ever tried the other way around  
Picking up the kid from the curb  
Let's not make a big deal out of this  
It takes one to know one  
Check the wind if you need to take a piss  
I think you know it's you who did wrong

You are ridiculous  
But you'll never know what that means

You dream of a house in some neverland  
woah oh oh oh oh oh oh  
And I play guitar in my favourite band  
woah oh oh oh oh oh oh

You've been broken in my eyes since the day we met  
But I'm not a whiner  
You're annoying cuz you're playing hard to get  
Though you've been with the most of the herd  
I'm gonna separate me from me and you  
Let's not get together  
Check the wind if you need to take a piss  
I think you know it's you who did wrong

You are ridiculous  
But you'll never know what that means

You dream of a house in some neverland  
woah oh oh oh oh oh oh  
And I play guitar in my favourite band  
woah oh oh oh oh oh oh

You dream of a house in some neverland  
woah oh oh oh oh oh oh  
And I play guitar in my favourite band  
woah oh oh oh oh oh oh

Come on

oh

You dream of a house in some neverland  
woah oh oh oh oh oh oh  
And I play guitar in my favourite band  
woah oh oh oh oh oh oh

You dream of a house in some neverland  
woah oh oh oh oh oh oh  
And I play guitar in my favourite band  
woah oh oh oh oh oh oh  
yeah  
woah oh oh oh oh oh oh
