I read it in the paper, I see it on TV
Itchy "hate" written on the frontpage, blood running
down the screen.
Another dude is lying - pretending everything's
alright
While innocents keep dying and children learn to
fight...

What the hell is going on?!
21 I wanna know, wanna know - tell me!

I'm ready to surrender. My head bangs against a wall.
Years My small fist in my pocket won't change the
world at all.
I feel alone and helpless. My ideals fade away
Trust and hope is gone and there's just one thing left to
say

What the hell is going on?!
I wanna know, wanna know - tell me!

21 years of hope behind me.
21 years it's war that I see.
21 years and nothing's changed.
21 years who's to blame?

But I don't wanna give up. So I'll speak up to you:
"together we can change it, believe in me it's true"
Stand up and join the good side! I try to make you
understand
Itchy the only thing that stops me is that bullet in my
head...

What the hell is going on?!
I wanna know, wanna know - tell me!
21
21 years of hope behind me.
21 years it's war that I see.
Years 21 years and nothing's changed.
21 years who's to blame?
