You got everything you need
You're the big shot boy
Itchy See the working class you exceed

You're the big shot boy - are you happy now?
You're the big shot boy - are you happy now?
And you, you love to watch them bleed
Big
Money makes the world go round - what is morality?
Bling - bling - bling, my god, I need a break
Shot Eat me up alive I hope you suffocate!

Go, rip me off
Go, rip me off
Will you ever get enough?
Dismantle all of us
O let's discuss what you can buy
Go, rip me off
Go, rip me off
You seem to be so tough
We'll pull your tooth, my son, the golden one
I'm sure you're gonna cry

One thing I can't deny
You're the big shot, boy
Don't forget to adjust your tie
You're the big shot, boy
Are you happy now?
You're the big shot boy
Are you happy now?
Somehow I hope you don't reply

Go, rip me off
Go, rip me off
Will you ever get enough?
Dismantle all of us
So let's discuss what you can buy
Big Go, rip me off
Go, rip me off
You seem to be so tough
Shot We'll pull your tooth, my son, the golden one
I'm sure you're gonna cry
