Saw an add on the TV screen advertising this institution  
It sounded good for me to fight for peace and to finally  
make ends meet  
Paid vacation with the gun in hand on land, in the air,  
on the water  
Exploring nature on foreign sand

Where we will march and fight and kill 2, 3, 4  
Drop  
We wanna know where are we supposed to go  
Drop the bomb, drop the bomb and we'll fight our way  
through  
The We wanna know where are we supposed to go  
Drop the bomb, drop the bomb and we'll kill ourselves  
for you  
Bomb  
I signed up and I made some friends willing to take the  
chance of a lifetime  
Coz staying home is not how it ends for me, for me, for  
me  
We go their way and without a doubt there'll be  
parades held in our honor  
My mum is scared but my daddy's proud

And now we march and fight and kill 2, 3, 4

Refrain
