When will it stop?
Will I ever get back up?
From that misery that happened to me

Take, take ãfÂçâ, ã·Âœem back
Take these nails out of my head
Because everything inside is crying
I cannot help IãfÂçâ, ã™ m slowly dying

Too deep, it wonãfÂçâ, ã™ t get better
Screaming out my lungs forever
Pretty hard to realize
my life will never be the same

Too deep, it wonãfÂçâ, ã™ t get better
Screaming out my lungs forever
Never, never, never be the same
Day in, day out nothing ever gets as loud
Can you fall asleep with eyes wide open?
Hey, this is me - under pressure constantly
I bang my head into a wall on purpose
Tried so hard, I canãfÂçâ, ã™ t control this

Too deep, it wonãfÂçâ, ã™ t get better
Screaming out my lungs forever
Pretty hard to realize
my life will never be the same

Too deep, it wonãfÂçâ, ã™ t get better
Screaming out my lungs forever
Never, never, never be the same.
