Mater mortalis Asmodei  
In salivã Lunarisa tua supprime me  
Daemons nocturnales omnes  
Dominum suum gloriant debãnt  
Ego archangelus Ashamdonus est nam  
Semenem meum resemina  
In aquae nocturnae regnum revrebe  
Ave NOMH Regina GYHNM

Mater infernos legiorum impiorum  
In libidã bestiale tua cape me  
Daemons nocturnales omnes  
Dominum suum gloriant debãnt  
Ego archdaemonus SATNAS est nam  
Semenem meum resemina  
In aquae nocturnae fundamentum reverbe  
Ave LYLYTh Regina GYHNM
