WE were once together,
I thought it'd last forever,
Then I saw it was untrue,
So I had to let go-of you.

Chorus

All I really wanted was to be with you,
All I really wanted was something true,
You turned me down,
I refused to frown,
I said to myself,
"There are plenty of fish in the sea,
Somday I'll find the destined for me!"

Verse1

I won't sob or cry,
Didn't let anything pass me by,
Try her out, she's so cool,
Try her out, she's so cool
I'm laughing, I'm singing,
My phone is always ringing,
If you won't try her out, you're the fool,
If you won't try her out, you're the fool,

Chorus

All I really wanted was to be with you,
All I really wanted was something true,
You turned me down,I refused to frown,
I said to myself,"
There are plenty of fish in the sea,
Someday I'll find the one destined for me!"

Verse2

I feel free as can be,
I feel totally like me,

Life is good, Take a break my friend,
Life is good, Take a break my friend,
I wish I could fly,
Today I'd soar so high,
Oh yeah, Fly away,
Oh yeah, Fly away,

Chorus

All I really wanted was to be with you,
All I really wanted was something true,
You turned me down,
I refused to frown,
I said to myself,"
There are plenty of fish in the sea,
Someday I'll find the one destined for me!"

Verse3

Get into it!
Dance, Dance,
Run, Run,
Just party around, and have some fun!
Just party around and have some fun!
Flip,Flip,
Flop, Flop,
Never wanna stop!!

Chorus (last)

All I really wanted- was to be with you,
All I really wanted was- somethin soo true,
Life is crazy, but it's beautiful,Life is crazy but it's
beautiful,

Oh yeah!
