I bam jinago nameoneun
Nal kkaeul geudae oltejyo
Han bangul ssik heullyeo noheun
Nunmul jeuryeo barbeumyeo

Jeo mun yeollimyeon tto dasi
Bichi naege daheultejyo
Geu ihuron yeongwontorok
Haengbokhage saltejyo

Yeol dusi jongi ullimyeon
Kkum sogeseo nun tteujyo
Saramdeurui chukbok soge
Chumchugo inneun uri dul

Nan sumeul swijyo (You will never know)
Nan saraisseoyo (Everyone fails to love)
Geu sasilmaneun na mideodo doeneun geogetjyo

Nothing lasts forever, Nothing really matters

Nal chatneun giri heomhaeseo
Hemaego innabwayo
Eonjenganeun useumyeonseo
Geudae pume jamdeulgetjyo

Nan gal su eobtjyo (I will never know)
Nal mot chajeulkka bwa (Everyone tells me so)
I gidarimi da mulgeopum dwae beorilkkabwa

Nothing lasts forever, Nothing really matters x4
