This is what I have from the life record recorded during Jazz Jamboree in Warsaw (Poland) in 1974

"Corinne, Corinna why (where) you've been so long
Tell me Corinna why (where) you've been so long
I haven't had no lovin' since you've been gone

I love Corinna, I tell you where I do
Well, I love Corinna, I tell you where I do
Well, I hope some day (?) Canda love me too

Corinne, Corinna where you'd stay late night
Tell me Coreenna where you'd stay last night
You came home this morning the suny shinin' rise (?)
I met Corinna way across the sea
Yes I met Corinna way across the sea
She didn't write me no letter, she didn't care for me

Bye, bye Corinna I got to leave you now
Bye, bye Corinna I got to leave you now
Well I know you didn't mean it, no good, no harm"
