"Good Sauce from the Gravy Bowl"

I like good sauce in the gravy bowl,
Must be sauce about ninety days old!
Good sauce, good sauce from the gravy bowl!

Drink good sauce from morn til night,
Drink enough and it makes you tight.
Good sauce, good sauce from the gravy bowl!

One drink, two drinks, three drinks, four drinks, five
drinks, six drinks,
Drink it, drink it,
You're bound to get high,
And when you do,
You'll feel so blue,
You'll think that you always blue,
And you gonna die!

I like good sauce from the gravy bowl,
Must be sauce about ninety days old!
Good sauce, good sauce from the gravy bowl!
