"I Love to Sing"

I love to sing-a
About a moon-a and a June-a and a spring-a,
I love to sing-a,
About a sky of blue-a, and a tea for two-a,
Anything-a with a swing-a, or a "I love you-a,"
I love, I love to sing!

Give me a song-a
About a son-a gun that went and done her wrong-a.
But keep it clean-a,
By a cottage small-a with a waterfall-a,
Any sob-a that will throb-a to a bluebird's call-a,
I love, I love to sing!

I was born a singin' fool-a,
Lah-de-dah!
Ol' Major Bowes is gonna spot me,
Got through Yale with boula-boula,
Lah-de-dah!
Old microphone's got me!
I love to sing-a,
I love to wake up with the south-a in my mouth-a,
And wave a flag-a,
With a cheer for Uncle Sammy and another for my
mammy,
I love to sing!

The swingin'est,
Hot singin'est,
Bell-ringin'est,
Song singin'est
High tootin'est,
Sky tootin'est,
I love to sing!
