With Lael Calloway

Daddy dear, tell me, please  
Is the world really round  
Tell me where is the  
Bluebird of happiness bound

Tell me why is the sky  
Up above so blue  
And when you were a child  
Did you daddy tell you

What becomes of the sun  
When it falls in the sea  
And who lights it again  
Bright as bright can be

Tell me why can't I fly  
Like a bird through the skies  
Tell me why, daddy dear  
Are there tears in your eyes

Little one, little one  
Yes, the world's really round  
And the bluebird you search for  
Will surely be found

And the sky up above  
Is so blue and clear  
So that you see the bluebird  
If it should come near

And the sun doesn't fall  
When it slips out of sight  
All it does is make way  
For the moon's pretty light

And if children could fly  
There'd be no need for birds  
And I cry, little one  
Cause I'm touched by your words

Don't be sad, daddy dear  
If it's true the world's round  
I will search round the world  
Til the bluebird is found

Little one, there is no need  
To wander too far  
For what you really seek  
Is right here where you are

Show me where, daddy dear  
And here's what I'll do  
I will take the dear bluebird  
And give it to you

Dear, the bluebird's the love  
In your heart, pure and true  
And I found it the day  
Heaven blessed me with you
