You put a song in my heart rythm in my step

Praise as my garment for the spirit of heaviness

Beauty for ashes joy for my pain

Love overwhelming causes me to say

(Chorus)

You've made me glad

You've made me glad

You've made me glad

Lord I will rejoice because You have

You've made me glad

You've made me glad

You've made me glad

Lord I will rejoice because You have made me glad

So I will lift my hands and lift my voice

The way I feel I have no choice

You made me glad

I'm gonna dancce and sing and shout for joy

And praise Your name I will rejoice

You made me glad

Lord we declare

Who can compare

Who would even dare

Cause there is no one like You
