You only stay with me in the morning  
You only hold me when I sleep,  
I was meant to tread the water  
Now I've gotten into deep  
For every piece of me that wants you  
Another piece backs away.

'Cause you give me something  
That makes me scared, alright,  
This could be nothing  
But I'm willing to give it a try,  
Please give me something  
'Cause someday I might know my heart.

You already waited up for hours  
Just to spend a little time alone with me,  
And I can say I've never bought you flowers  
I can't work out what they mean,  
I never thought that I'd love someone,  
That was someone else's dream.

'Cause you give me something  
That makes me scared, alright,  
This could be nothing  
But I'm willing to give it a try,  
Please give me something,  
'Cause someday I might call you from my heart,  
But it might be a second too late,  
And the words I could never say  
Gonna come out anyway.

'Cause you give me something  
That makes me scared, alright,  
This could be nothing  
But I'm willing to give it a try,  
Please give me something,  
'Cause you give me something  
That makes me scared, alright,  
This could be nothing  
But I'm willing to give it a try,  
Please give me something  
'Cause someday I might know my heart.

Know my heart, know my heart, know my heart
