Boogie Man

When I look in your eyes
Am I standing here beside you?

And Iâ€™m here in your mind
In a dark hole youâ€™re falling.

Every night Iâ€™ll come round
Every night your fear will feed me.

When you close your eyes It's the boogie man!

Ziggy Ziggy Shake Shake !

Hey kid itâ€™s me again
Am I standing here beside you?

Iâ€™ll come knocking at your door
Are you feeling scared already?

Toss and turn, you shake and burn
Every night youâ€™re fear will feed me
When you close your eyes It's the boogie man!

Ziggy Ziggy Shake Shake

Come take a ride, welcome to my world
Itâ€™s youâ€™re frustration, my fascination
Me my companion for my next destination
Itâ€™s a fascination come feel my vibration

Yeah!
