The voice in my head
Sleeps in my bed
The voice in my head
Sleeps in my bed
Can i sleep with the radio on?

Need a little more time to be me again
Need a little more time to be me again
Need a little more time to be me again
Need a little more time to be me again

What everybody does

The voice in my head
Sleeps in my bed
The voice in my head
Sleeps in my bed
Can i sleep with the radio on?

Need a little more time to be me again
Need a little more time to be me again

Need a little more time to be me again
Need a little more time

It's alright
It's alright
It's alright
It's alright

Need a little more time to be me again
Need a little more time to be me again
Need a little more time to be me again
Need a little more time

What everybody does
What everybody does
What everybody does
What everybody does
What everybody does
What everybody does

The voice in my head
