Some say
They're gonna haunt us
Make an appearance
An interference
They're gonna take off
Enjoy the party
And if they like you
They're gonna lock you, instead

Â
I don't want to know
I don't want to know
Â
I lost
lost my tomorrow
Down at the station
Bad situation
I feel unwanted
My lousy manner
Bad reputation
They're gonna take me, instead
Â

I don't want to know
I don't want to know
I don't want to know
I don't want to know

Some say
They're gonna haunt us
Make an appearance
An interference
They're gonna take off
Enjoy the party
And if they like you
They're gonna lock you, instead

I don't want to know, got to keep on fighting
I don't want to know, got to keep on fighting
I don't want to know, got to keep on fighting
I don't want to know, got to keep on fighting
I don't want to know, got to keep on fighting
