Harry, Harry Von Dutch
Harry, Harry lost touch

Wednesday morning fly a kite
Thursday night turkish delight
Pin-up suit and flowery boots
Big cigar and orange soup

Harry, Harry Von dutch

Do you know how it feels when you reach the end?
Do you know how it feels when you flip the big switch?

I'm lost in a world now
I'm fading away
I'm lost in a world now
I'm losing my face
I'm lost in a world now

Harry, Harry Von Dutch
Harry, Harry lost touch

Have a beer and I'll have two
Take a trip I'll follow through
Found an olive in his bed
Pillow fighting hit his head

Harry, Harry Von dutch

Do you know how it feels when you reach the end?
Do you know how it feels when you flip the big switch?

I'm lost in a world now
I'm fading away
I'm lost in a world now
I'm losing my face
I'm lost in a world now

Hold on, I'm ill, I'm running up a hill
Hold on, I'm ill, I'm running up a hill
Hold on, I'm ill, I'm running up a hill
Hold on, I'm ill, I'm running up a hill

I'm lost in a world now
I'm fading away
I'm lost in a world now
I'm losing my face
I'm lost in a world now
