In a lost city
waiting for you.

In a lost city
praying for you.

Now I'm trapped alone
seeking the truth.

I'll wait around for you
wating.

And there's something hidden
in a dark room
for you.
In a dark room
for you.
In a dark room
for you.

Come on

In a lost city
wating for you.

In a lost city
now i hate you.

Breaking all the rules
seeking the truth

I'll wait around for you
wating.

And there's something hidden
in a dark room
for you

I can feel you

like acid through my veins

burning my faith.

Closing in on me.
Falling down on me.
Coming down on me.
closing in on

Come on

Have I wasted my time?
Have I wasted my time?
Have I wasted my time? your time? no time!
Have I wasted my time? your time? no time!
Have I wasted my time? your time? no time!
Have I wasted my time?
