I'm sure by now
You have found
Another way out of this town

Auburn scarf 'round your neck
Winter nights with feet so wet
Envelopes letters sent
Times we laughed and danced in step

Don't go quite yet
Don't leave this love that we had

I can't forget
That night before you left
I tried not to listen
Come on it's not time yet
But if you have to leave,
I'll still be here waiting

How loud i can hear
Your color in my...
How loud i can hear
This silence ringing in my ear
