Verse 1: and I'm eager just to see her oh a little little  
more so I'm thinkin about oh thinkin about all the nights  
together if you could see the way see the way I'm  
feeling...

Chorus: but you're shy sometimes until the lights are  
lowered on your eyes girl I just want to make this right  
and I get shy sometimes until the lights are lowered on  
your eyes girl I just want to stay all night

Verse 2: and I'm eager just to please her oh a little little  
more so and I'll step into step step into this souther bell  
I'm ringing if I could see the way see the way she's  
feeling...

Bridge: if we could take that long way home... that long  
way home...

Last chorus: but you're shy sometimes until the lights  
are lowered on your legs I find myself between your  
thighs and I get shy until the lights are lowered on your  
legs girl I just wanna stay all night

Outro: I just wanna make it fine I just wanna make oh  
alright
