"Ocean City Girl"

Moving slowly into the setting sun
Keeping secrets away from everyone
Staring out into another world
Tide is rising , but time is standing still
Ocean city girl is smiling...
Ocean city girl is flying...
The night is falling, the street lights start to glow
No one is there when the cracks begin to show
They can't hurt her like she's been hurt before
Noone here can get near her anymore
Ocean city girl is fading...
Ocean city girl is saying ...goodbye...
Ocean city girl is fading...
Ocean city girl is saying.. goodbye
