"Sleeping Late"

Sleeping late.
Wasting the day away.
I don't care what they say.
I'm gonna stay in bed for a while.
Sleeping late.
Everything's down the drain.
Everything stays the same.
I'm gonna wait right here for a while.
I don't care what I've been missing.
You can call but I won't listen to anything you say.
I know it can wait.
I know it can wait.
Sleeping late.
Letting the time go by.
Letting my mind run dry.
I'm gonna disappear for a while.
Sleeping late.
Wait 'till the sun goes down.
Maybe I'll come around
When all the streets are empty and quiet.
I don't care what I've been missing.
You can call but I won't listen to anything you say.
I know it can wait.
I know it can wait.
