Are we, are we just selfish
Wanting to keep you where we are?
Just where you left us
You're seeing all the things I'd die to see
(All the things I'd die to see)

Everybody finds it necessary
To say how much you loved me
As if I didn't know so deeply

Can you see evidence of perfection?
Look past the circumstance and find some meaning
Find some meaning

If only this song could capture
The peace you are seeing
If only this song could capture
The hope we are seeking

Everybody finds it necessary
To say how much you loved me
As if I didn't know so deeply

Can you see evidence of perfection?
Look past the circumstance and find some meaning
Find some meaning

Can you see evidence of perfection
Evidence of perfection?
Look past the circumstance and find some meaning
And find some meaning

Can you see evidence of perfection
Evidence of perfection?
Look past the circumstance and find some meaning
And find some meaning

Just love me and let me sleep
Just love me and let me sleep
Just love me and let me sleep
Just love me and let me sleep
