I feel a deep meaning in my soul,  
I don't know what's happening, I can't let this go.  
And I, oh I am losing control,  
I've tried to run away but,

You bring fire,  
To my bitter and drafty  
Soul, it's time,  
I chose your light as my own.

You alone can bring me to my knees,  
Where I can exchange my worries,  
For the peace beyond all understanding,  
You know what I mean.

And I, oh I am losing control,  
I've tried to run away but,

You bring fire,  
To my bitter and drafty  
Soul, it's time,  
I chose your light as my own.

You bring fire,  
To my cold soul.

Keep your love so close,  
Until you've felt it in your heart,  
Everyone I call,  
The sound of him is trapped inside,

Trapped inside, oh woah.

You bring fire,  
To my bitter and drafty  
Soul, it's time,  
I chose your light as my own.

You bring fire,  
To my bitter and drafty  
Soul, it's time,  
I chose your light as my own.
