There's a place I dream about
Where the sun never goes out
And the sky is deep and blue
Won't you take me there with you

Oh, we can begin again
Shed our skin, let the sun shine in
At the edge of the ocean
We can start over again

There's a world I've always known
Somewhere far away from home
When I close my eyes I see
All the space and mystery

Oh, we can begin again
Shed our skin, let the sun shine in
At the edge of the ocean
We can start over again

Ooh, we can begin again
Shed our skin, let the sun shine in
At the edge of the ocean
We can start over again

At the edge of the ocean
We can start over again
