The first time, I knew
That I had you
The last time I caught you
Oh, had I taught you?

I know what you are
I know what you are

I watch
(I see you everywhere)
Myself now
Looking
(I know beneath it all)
At you

I feel
(I see you everywhere)
Ashamed by it all
(I know beneath it all)
What can
(There's nothing left in me)
I do?

I know what you are
I know what you are
I love the way you are
Hiding in the shadows

(In the shadows)
In the shadows
(In the shadows)
In the shadows

I know what you are
I know what you are
I love the way you are
Hiding in the shadows

(In the shadows)
In the shadows
(In the shadows)
In the shadows

(In the shadows)
In the shadows
(In the shadows)
In the shadows
...

(In the shadows)
In the shadows
(In the shadows)
In the shadows
...
