What do I deserve?  
We were two of a kind  
You can't help but feel emotionless  
When you're the one standing  
Watching from the outside  
I never had to care  
I never had to worry  
But I never stopped to think  
I never stop thinking  
She knows so much  
I wish I could scoop up the ones I love  
And place them far away  
Certain songs ring aloud  
Make your mind wonder about better times  
Everyone come to one  
Everyone wants what no one gets  
And that's why they don't  
They want more  
That's why the world may come to an end  
I will be the one sitting at the edge of the rock  
Waiting to be invited in
