My girl has got a pussy  
She keeps it hid from view  
And everywhere that she goes  
That pussy goes there too  
It dont drink milk or wash it's face  
It dont even purr  
But its got lovely whiskers and lots of ginger furr  
A week ago last tuesday  
I come home from the pub  
I said "Where that little pussy thtl love to stroke and  
rub?"  
But pussy wasnt willing and it was plain to see  
Someone had already stroked her  
And that someone wasnt me

And..  
Somebody else is stroking, a pussy I thought was mine  
Smeone is petting poking and it really is a crime  
And now my heart is broken  
I'll kill that filthy swine  
Cause somebody else is stroking the pussy I thought  
ws mine

Pussy x6  
Pussy x6  
Pussy x6  
Pussy x6  
Pussy x6

I loved that little pussy  
It filled me with delight  
but now I never see pussy all day  
And it stay out late at night  
Some siamese or persian  
Who shattered all my dreams  
It tiggled her nose like I once did  
And he fills her up with cream

\*miao's\*

Where are ya, ya fucking cat?

Somebody else is stroking, a pussy I thought was mine  
Smeone is petting poking and it really is a crime  
And now my heart is broken  
I'll kill that filthy swine  
Cause somebody else is stroking the pussy I thought  
was mine

Pussy x6 (Repeat until fade)

There you are, you bloody animal!
