Verse

Your life is bleeding
Your soul deceiving
Your faith depleting
I take, your last

Breath is fading
Beliefs debating
My hate is staining
I take, your last

Prechorus

Breath away for me,
For living with your lies
Beginning of your end
You'll see it when you die

Chorus

Laughing
Danting
Bastard
Coward

Wasting
Taking
Faking
Replacing

Verse

I am your ruling
Failure abusing
Structure misusing
You will, not be

What you've been searching
Shadows are lurking
Destruction working
You are, not free

Prechorus

Limitations in your fear
Your seeking life in skies
Apparitions in your light
With failing compromise

Chorus
