I.

My friends keep telling me
It only hurts a little while
In no time I'll be bouncing back
Where in my usual smile
Deep down inside I know
That what they say is right
But that don't stop me
From crying each and every night

Chorus:

'Cause it's my first broken heart
My dreams within have ended
It's my first broken heart
I don't know how to mend it
Tell me where do I start
'Cause it's my first broken heart

II.

He made me feel so many things
I never felt before
He opened up a world of dreams
But then he went and closed the door
I never knew the thrill
Until I felt his touch
I never knew the love could ever
Hurt this much

(Repeat Chorus)

III.

Someway, somehow I know
I'm gonna make it through
But for right now
I don't know what I'm gonna do

(Repeat chorus)

IV.

Tell me, show me
Show me how

Tell me how to mend this broken heart
Where do I start
'Cause it's my first broken heart

V.
Tell me what to do
Tell me where to start
Tell me how to mend this broken heart [2x]
