At last,
my love has come along,
my lonely days are over,
and life is like a song,
I've had my heart broken in two,
over and over again,
first it was this girl Renee,
she went and slept with my best friend,
just wanted to be left alone,
but then came along Emily,
and she did the same thing to me,
8 months later was Jessica
I gave her my heart, she through it on the floor
to think that I trusted her,
I lent her my card, and she bought out the store
so I had to let her go,
and open my heart up to destiny,
and she opened her arms to me.

At last,
my love has come along,
my lonely days are over,
and life is like a song.

When I lay next to you,
its like a feeling I never felt,
I know that heaven is missing you,
its what I'm saying to myself,
girl I've been through all of this pain,
but no I am finally free,
cause you gave your love to me,

At last,
my love has come along,
my lonely days are over,
and love is like a song.

baby,
I been through the stars
and a share of broken hearts
And I don't know what you did,
but you'll always be my baby,

cause baby, I gave up on love
girl I had enough,
you turned my life, into a song,

At last,
my love has come along,
my lonely days are over,
and life is like a song,

At last,
my love has come along,
my lonely days are over,
and life is like a song.
