She's Bulletproof
Oooh oooooh oh oh oooooh

It was love before
Girl I know your heart's been through the storm and
more
I can tell you barely survive
Girl my love will be the same
I'm not tryna run no games
I just want your tears to dry

Your heart's the target
But every time I fire I can't get through through through
I fight my hardest but I'm runnin out of weapons to use
use
But losing's not an option
So I keep shootin my love away
Keep shootin my love away
Damn this girl is bulletproof proof
But I, Keep shootin my love away
Keep shootin my love away
Damn this girl is bulletproof proof (She's bulletproof)

Feels like we both at war
Out of ammo, can't shoot no more
What do you want from me
I can feel you reachin out now
But you gotta let your guard down

Why's it so hard to see oooh

Your heart's the target
But every time I fire I can't get through through through
I fight my hardest but I'm runnin out of weapons to use
use
But losing's not an option
So I, keep shootin my love away
Keep shootin my love away
Damn this girl is bulletproof proof
But I, Keep shootin my love away
Keep shootin my love away
Damn this girl is bulletproof proof (She's bulletproof)

Ooooh ooooh oh oh ooooh (2x)

Your heart's the target
But every time I fire I can't get through through through
I fight my hardest but I'm runnin out of weapons to use
use
But losing's not an option
So I keep shootin my love away
Keep shootin my love away
Damn this girl is bulletproof proof
But I, Keep shootin my love away
Keep shootin my love away
Damn this girl is bulletproof proof (She's bulletproof)
