They should give an award for cheating  
You'd be on top of the world  
And I should call you a heyyy  
For deceiving  
But I'm just better than that

Congrats, ooo-oho  
Congrats, ooo-oho  
Congrats, ooo-oho  
Congrats for cheating.  
Congrats, ooo-oho  
Congrats, ooo-oho  
Congrats, ooo-oho  
Congrats for cheating.  
Congrats for that.

I try to think that you're not crapping  
But you were texting late on night  
When you're think I was sleeping, sleeping  
I can tell your bother  
In your way of speaking, speaking  
And ain't your girlfriend on the phone  
When you said you're leaving.

You had so many lies  
He's just a random guy  
You started a fight  
So just you can pack your sheets and go.  
No matter how we try  
We never seem to fight  
This time I'm saying goodbye.

They should give an award for cheating  
You'd be on top of the world.  
And I should call you a heyyy  
For deceiving  
But I'm just better than that

Congrats, ooo-oho  
Congrats, ooo-oho

Say you're at mall  
But girl you're lying.  
Girl you are a liar

...  
Watching buying it  
I'm not the guy to say I'm leaving  
But lately I'll be back  
In force without this demons.  
Now we're having ups and downs  
You've stared a fight  
Just to pack your sheets and go.  
No matter how we try  
We never seem to fight  
This time I'm saying goodbye.

They should give an award for cheating  
You'd be on top of the world.  
And I should call you a heyyy  
For deceiving  
But I'm just better than that

Congrats, ooo-oho  
Congrats, ooo-oho  
Congrats, ooo-oho  
Congrats for cheating.  
Congrats, ooo-oho  
Congrats, ooo-oho
