Shawty's like a melody in my head
That I can't keep out, got me singin' like
Na, na, na, na everyday
It's like my iPod's stuck on replay, replay

Shawty's like a melody in my head
That I can't keep out, got me singin' like
Na, na, na, na everyday
It's like my iPod's stuck on replay, replay

Remember the first time we met
You was at the mall with your friend
I was scared to approach you
But then you came closer
Hopin' you would give me a chance

Who would have ever knew
That we would ever be more than friends
We're real worldwide, breakin' all the rules
She like a song played again and again

That girl like somethin' off a poster
That girl is a dime they say
That girl is a gun to my holster
She's runnin' through my mind all day, hey

Shawty's like a melody in my head
That I can't keep out, got me singin' like
Na, na, na, na everyday
It's like my iPod's stuck on replay, replay

Shawty's like a melody in my head
That I can't keep out, got me singin' like
Na, na, na, na everyday
It's like my iPod's stuck on replay, replay

See you been all around the globe
Not once did you leave my mind
We talk on the phone
From night till the morn
Girl, you really change my life
Doin' things I never do

I'm in the kitchen' cookin' things she likes
We're real worldwide, breakin' all the rules
Someday I wanna make you my wife

That girl like somethin' off a poster
That girl is a dime they say
That girl is the gun to my holster
She's runnin' through my mind all day, hey

Shawty's like a melody in my head
That I can't keep out, got me singin' like
Na, na, na, na everyday
It's like my iPod's stuck on replay, replay

Shawty's like a melody in my head
That I can't keep out, got me singin' like
Na, na, na, na everyday
It's like my iPod's stuck on replay, replay

I can be your melody
Oh girl, I could write you a symphony
The one that could fill your fantasies
So come, baby girl, let's sing with me, hey

I can be your melody
Oh girl, I could write you a symphony
The one that could fill your fantasies
So come, baby girl, let's sing with me, hey

Na, na, na, na, na, na, na
Na, na, na, na, na, na
Shawty got me singin'
Na, na, na, na, na, na, na
Na, na, na, na, na, na
Now she got me singin'

Shawty's like a melody in my head
That I can't keep out, got me singin' like
Na, na, na, na everyday
It's like my iPod's stuck on replay, replay

Shawty's like a melody in my head
That I can't keep out, got me singin' like
Na, na, na, na everyday
It's like my iPod's stuck on replay, replay
